To see our critera, look at: https://www.worldduchenne.org/members/

[1] Industry is defined as commercial manufacturers of healthcare products and services, including distributors and wholesalers, etc.

[2] This should reflect the overall funding received from industry, including, e.g. projects, conferences, etc.

[3] E.g. membership fees, donations.

[4] In case the total figures in this table do not match those in the financial statement, please provide justification (attached here or as an email).

Information required to be included on organisation's website	Please include links below:
