To see our criteria, look at: <https://www.worldduchenne.org/members/>

[1] Industry is defined as commercial manufacturers of healthcare products and services, including distributors and wholesalers, etc.

[2] This should reflect the overall funding received from industry, including, e.g. projects, conferences, etc.

[3] E.g. membership fees, donations.

[4] In case the total figures in this table do not match those in the financial statement, please provide justification (attached here or as an email).

#### Information required to be included on organisation's website

#### Please include links below:

Funding sources:	<a href="https://www.worldduchenne.org/financial-report-statutes/">https://www.worldduchenne.org/financial-report-statutes/</a>
Overall proportion of industry and non-industry:	0% industry – 100% non-industry
Percentage of the highest contribution from a single company:	0%
